The STADIUM EAST will NOT be used at YG Classics 2023

We have decided against using the Stadium East facility at the YG Classics Meet on Saturday February 4, 2023 for marshalling and for the teams village as per previous years. Teams will therefore be allowed to enter the National Stadium and sit in designated areas of the Grand Stand. They are however required to ensure that the aisles are kept clear at all times.

Coaches must pickup the competition packages for their team at the Grand Stand entrance (Registration) before the teams can enter the National Stadium.

Athletes must warmup/cooldown on the northern landing above the cycle track. Persons are not allowed on the football field.

The Marshaling area will be inside the Stadium near the finish line. Coaches and athletes must listen for the Call of Events, and keep abreast of the progress of the events schedule. We are not responsible for athletes not reporting for an event after it is called three times.
